Your Bristol Myers Squibb **Patient Access Liaison (PAL)** is a local, dedicated professional who can support you with navigating your patient's access to COBENFY.

On-Site Experience

Engage your dedicated PAL directly in your workplace for localized access and COBENFY Cares education.

Access to COBENFY

Share knowledge on local coverage landscape and offer access support for COBENFY in your localized area including information on national, regional, and local payer policies to facilitate patient access. In addition, educate on coverage requirements for government and commercially insured patients.

Patient Support Services Offerings

Create awareness about available COBENFY Cares resources, including co-pay, and identify independent financial support options for patients with affordability concerns.

Educate HCP on Support Through CoverMyMeds®

- Help facilitate prompt initiation of COBENFY treatment through CoverMyMeds® and on-site in-office PAL experience to support access to COBENFY
- Prompt Prior Authorization (PA) and appeals support through CoverMyMeds®
- Available PA support resources, including plan-specific forms, information on requirements, and appeals support

The accurate completion of reimbursement- or coverage-related documentation is the responsibility of the healthcare provider and patient. Bristol Myers Squibb and its agents make no guarantee regarding reimbursement for any service or item.
